## Over-Night FEDERAL Wireless To the Advertiser

Colonel Theodore Roosevelt is feeling so much better and has so much improved that on awakening today he began planning for a continuation of his campaign trip.

From eleven o'clock on he was asleep most of the time until four o'clock this morning when he awoke declaring that he had had a "bull's sleep." He said he intended to breakfast at seven o'clock. Before seven o'clock the Colonel decided he had not had enough sleep, and he again closed his eyes. The many hours he has been able to rest is declared by the physicians to be the best medicine for him.

Attending physicians are to hold another examination of the patient. When informed of the doctors' intention, the colonel remarked that "I hope they will soon have me ready to start out again."

Fighting between the Greek army and the Turkish forces stationed along the frontier began early today.

A daring feat was accomplished by the commanders of the Greek gunboats A and D. They made a dash at two o'clock this morning to force the Turkish blockade at the narrow entrance to the Gulf of Arta. War today became general throughout the Balkan peninsula. Turkey, which for a week or more has been fighting Montenegro, issued this morning a formal declaration of hostilities against Serbia and Bulgaria. Greece, for some reason, was not mentioned in the official document.

In the declaration of war, Turkey places the blame on Bulgaria and Serbia, whose recent actions have forced her to take a decisive step.

A letter written by Olaf T. Teitmoor, of San Francisco, to Frank M. Ryan, former president of the International Union of Iron and Bridge Workers, expressed thanks for "Christmas present to the Pacific Coast," was identified by C. Campbell, assistant cashier of a San Francisco bank, as the dynamite conspiracy trial today.

The government charged that Teitmoor meant the Los Angeles explosion when he wrote of the Christmas present, and that the Llewellyn Iron Works explosion on Christmas day of 1911 was a sobriety test. Teitmoor, in a meeting with Ryan in St. Louis, Missouri, after the Los Angeles Times building explosion.

Jalapa and Cordoba are reported to have fallen into the power of the Diaz forces. General Aguilar, with his followers, is said to be in occupation of Jalapa, and another detachment of rebels to be marching on Cordoba.

A battle today between the rebels under Felix Diaz and the government troops is thought probable somewhere between Vera Cruz and Cordoba.

A copy of the Republican national committee's bank account of 1904 in the Fourth National Bank of New York, placed in evidence before the United States senate committee investigation campaign contributions and expenditures of 1904, showed one deposit of \$240,000 during the latter days of October of that year.

William Travers Jerome, former district attorney of New York, may be called as a witness for the defense in the trial of Police Lieut. Charles E. Becker, charged with the murder on July 16, in front of the Hotel Metropole, of Herman Rosenthal, the gambler.

## PATIENT OUTLIVES BOTH DOCTORS

Capt. Thomas Holdworth of 417 Lyons Street, San Francisco, former Commander of the fast Stockton steamer "J. D. Peters," was critically ill with Bright's Disease. The albumen was heavy and there was the usual heart involvement, etc. He was in the hands of the leading kidney specialist. As he grew steadily worse the Captain's wife became alarmed and had a relative see the doctor to learn from him the exact truth. He told her that he did not believe the patient could live over three months. The treatment was thereupon changed.

This was all in 1903. That the Captain made a fine recovery and that his permanence may be known let it be said that he is over seventy and called with his wife at the office of the John J. Fulton Company on December 19, 1911, for Christmas greetings. He was in perfect health. Both of the doctors that were on his case have since passed over the river. The Captain gives the names of several whom he told about it who have also recovered.

Honolulu Drug Co. is agent for Fulton's Renal Compound. Ask or send for pamphlet and wire us if not improving by third week. Jno. J. Fulton Co., San Francisco.

#### NO OPIUM IN CHAMBERLAIN'S COUGH REMEDY.

There is not a particle of opium or other narcotic in Chamberlain's Cough Remedy, and never has been since it was first offered to the public. It is as safe a medicine for a child as for an adult. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

All the traveling possessions of the family of Frank Gould were seized by customs inspectors at New York. Everything they had on their return from Europe was seized. Gould has retained counsel to fight.

Far better the naked truth than an over-dressed lie.

## AN ENEMY OF YOUTH

Lack of Blood During Years of Growth Lays Foundation for Much Ill Health.

Youth is the time to lay the foundation for health. Every boy and girl should have plenty of pure, red blood and strong nerves. With this, pure blood, they start life with a handicap too great to win success and happiness. Pure, red blood means beautiful health, strong nerves, a clear brain and a good digestion. In a word pure blood is the foundation of health.

The pale, irritable boy or girl, who has no appetite or ambition, is sleepless, always tired out, melancholy, short of breath and who does not grow strong, is the victim of bloodlessness, the greatest enemy of youth.

There is just one thing to do for these boys and girls—build up the blood with Dr. Williams' Pink Pills for Pale People. You can't afford to experiment with unproven remedies. Through neglect or wrong treatment anemia gradually develops into the pernicious form which is incurable. Dr. Williams' Pink Pills work directly on the blood, cleansing it and giving it just the elements which it lacks. As the pure blood goes everywhere, the entire body, every nerve, muscle and tissue, shares in the health-giving properties of the pills.

Miss Ellen Mattis, of No. 232 West Fifth South street, Salt Lake City, Utah, relates her experience gladly in the hope that others will be helped. She says: "I was all run down, thin, bloodless and had no color whatever. Two doctors treated me but did not help me that I could see. I kept losing in flesh and weight. I had severe palpitations of the heart and often had to gasp for breath. It seemed that I was being smothered, my heart would beat so fast. I had no appetite and the least exertion tired me all out. I got discouraged with taking so much medicine, but my mother urged me to try Dr. Williams' Pink Pills. I felt some improvement from the first box and as I continued to use them my strength and weight increased and my color returned. I became real healthy again and I shall always speak highly of Dr. Williams' Pink Pills."

A free booklet, "Building Up the Blood," will be sent on request. Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.
